Disbursements

Disbursements are payments made to third parties made on your behalf. (These may include, for example, crematorium or cemetery fees, officiant or minister fees, doctors' fees for cremation, etc). We will quote for these costs and they will be shown on our estimate.

Payment of Funeral Account

We request, in advance of the funeral taking place, full payment of Disbursements & Other Services, plus 50% of the total cost of the Funeral Directors Services. Your funeral arranger will advise you of the amount required in advance of the funeral. You may, should you wish, choose to pay the full funeral account in advance.

Please Note: Payment is due within 21 days of the date of invoice. If the account remains unpaid after this date, we reserve the right to charge a fee in order to cover our administration costs for the recovery of any debt. Interest may also be charged to your account on any remaining balance.

Please be aware there is no need to wait for probate. If sufficient funds are available, settlement can usually be made directly from the deceased's bank account without having to wait for probate to be completed. Please inform us if you intend to claim assistance for funeral expenses from the Social Fund (DWP). These payments are a contribution towards costs and will not cover the entire cost of the funeral so there will be a balance to be paid by you. The rules for eligibility are complex and we suggest that you speak with your Funeral Arranger or your local Department for Work and Pensions (DWP) office for advice. In the event of an unsuccessful claim, payment of the full amount of the funeral account will be your responsibility.

We accept payment by most major Debit or Credit Cards*, Online Bank Transfer, BACS, Cash or Cheque. Please ask your funeral arranger for details.

*excluding American Express and Diners Club International.

Funeral Prices

Typically, funeral costs will include six elements:

1) Our Professional Services

We will meet with you and your family to discuss the funeral arrangements, as well as providing guidance and advice on all the practical and legal documentation required like registering the death. We will organise the service, funeral and the wake. That includes the crematorium, cemetery or church, reception venues as appropriate, liaising with your chosen minister or celebrant and any additional products and services required. Our Funeral Director and branch team are available to provide help and guidance at all times.

2) Transfer & Care of the Deceased

When bringing your loved one into our care, we provide a professional, trained team with a private ambulance or other suitable vehicle. We will tend to the preparation and care of the deceased, including dressing in a suitable gown or their own clothes. You will also have use of our chapel of rest for visiting your loved one if you wish.

3) Ceremonial Vehicle(s) and Staff for the day of the Funeral

Provision of a modern motor hearse to convey the deceased to the place of service and then to the crematorium or cemetery and a chauffeured limousine for up to 6 passengers (if applicable). We will also provide a Funeral Director and staff, including up to 4 pall bearers, dressed in the appropriate livery, to conduct the funeral.
